MFLEX To Present At The Stifel Nicolaus 2013 Technology Conference

IRVINE, Calif., Jan. 30, 2013 /PRNewswire/ -- Multi-Fineline Electronix, Inc. (NASDAQ: MFLX), a leading global provider of high-quality, technologically advanced flexible printed circuit and value-added component assembly solutions to the electronics industry, announced today that the Company's President and Chief Executive Officer, Reza Meshgin, and Chief Financial Officer, Tom Liguori, will be presenting at the Stifel Nicolaus 2013 Technology Conference. The conference is being held February 5-7, 2013 at The Ritz-Carlton Hotel in San Francisco. The Company is scheduled to present at 11:30 a.m. PT on Thursday, February 7, 2013.

The Company will provide a live webcast of the presentation. Interested parties may tune in to the live presentation by visiting the 'Investor Relations' section of the Company's website at www.mflex.com. After the live presentation, an archive of the webcast will also be available at the Company's website.

About MFLEX

MFLEX (www.mflex.com) is a global provider of high-quality, technologically advanced flexible printed circuit and value-added component assembly solutions to the electronics industry. The Company is one of a limited number of manufacturers that provides a seamless, integrated end-to-end flexible printed circuit solution for customers, ranging from design and application engineering, prototyping and high-volume manufacturing to turnkey component assembly and testing. The Company targets its solutions within the electronics market and, in particular, focuses on applications where flexible printed circuits are the enabling technology in achieving a desired size, shape, weight or functionality of an electronic device. Current applications for the Company's products include smartphones, tablets, computer/data storage, portable bar code scanners and other consumer electronic devices. MFLEX's common stock is quoted on the Nasdaq Global Select Market under the symbol MFLX.

Certain statements in this news release are forward-looking statements that involve a number of risks and uncertainties. Such forward-looking statements include statements which may be preceded by the words "will," "expect," "schedule" or similar words. For such statements, the company claims the protection of the Private Securities Litigation Reform Act of 1995. Actual events or results may differ materially from the company's expectations. Important factors that could cause actual results to differ materially from those stated or implied by the Company's forward-looking statements are disclosed in the Company's SEC reports, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2012. These forward-looking statements represent the Company's judgment as of the date of this release. The Company disclaims any intent or obligation to update these forward-looking statements.
